TO YOUR HOME**

Inspired from trends seen in luxurious and contemporary condos, Alexandria brings to your home its most edgy mouldings yet. Designed to stun, the Urban M Collection is the ideal accessory to a modern setting. Its simple, yet elegant profiles let your personal style shine through in any space.

The Urban M Collection is made from high quality MDF, composed of recycled wood fibers. Every moulding is double-primed with environmentally friendly water-based primers, profile-sanded and buffed to bring out the full smoothness of the profile. Thus the perfect white canvas for your stroke of paint and imagination!
